AFTER selling successfully at a Stockbridge exhibition, a local artist is now preparing for her next big event.

Sara Barnes from Romsey, who sold half of her limited edition prints in a Creative Coverage Exhibition at Houghton Lodge, will now be showing original work at Windsor Contemporary Art Fair.

The event at Royal Windsor Racecourse runs from November 11-13.

"I need to sell outside Hampshire and this is a good opportunity to do just that," explains Sara, who is a member of Creative Coverage, which represents selected professional artists and craftspeople.

"There are 144 stands so it is a large exhibition.

"My stand is 5m x 2.75m high, so I can exhibit at least 16 paintings at a time."

Among the 12 paintings Sara will be selling, her favourite is *Meditation*, 27" x 39", which is priced at £750. Prices range from £400 to £750.
